### NICK CARTER, BLOODHOUND,

#### Trails Assassin of Mack White Over Hill and Hollow to a House.

Mack White who was reported in the last issue of the Hustler as having been shot from ambush on Thursday morning of last week, died from the effect of the wound early the next morning. Thus another crime is added to the list in Breathitt county, a list that was already by far too long and crimson.

The action taken by the county officials in trying to ferret out the cowardly assassin and land him in jail, have been most prompt and commendable, and if all citizens display an equal energy and sincerity in discovering and punishing this arch criminal, it must only be a question of time and a brief time at most, until the murderer of Mack White has received his just deserts at the hands of an honest jury.

At the urgent solicitation of the county authorities Capt. V. G. Milliken, of Wilmore, Ky., came up Friday on the 11:30 a. m. L. & E. train, bringing with him his famous bloodhound, "Nick Carter," a dog with a national reputation for trailing down criminals. Mr. Milliken and his hound were met at Elkatawa, the station nearest the scene of the murder, by Deputy Sheriff's Hiram Center and N. J. Moore, accompanied by Joe Bruner, chief of the Jackson police force and a large crowd of citizens. A posse of about a dozen men was summoned to accompany the party of searchers. They repaired at once to the spot where the assassin was concealed when he fired the fatal shot. The bloodhound was put on the trail, which was some 30 hours old. Those present say the famous animal never wavered or was at fault, but took the trail straight along through thicket, gorge and ravine until the county road was reached near the big tunnel, at the head of Cane Creek, leading toward Oakdale. The hound trailed on to Oakdale, seemingly tracing every step as the man had deviated from the main road, so as to take a shorter by-path or to turn aside to drink at a well, etc. The trail ended, or seemed to, at the home of James Salyers, on Clover Branch, about two miles beyond Oakdale. "Nick Carter" had followed the seeming trail to the mouth of this branch, where he turned from the main road into the path leading to Salyers' home, baying and tugging at his leash. On reaching the yard he crossed the fence and entered the house. After inspecting the interior, the dog went out to the stable, then came back and laid down. James Salyers was not at home, his wife saying he was away on a horse trade. Being asked as to who had been there recently she said no one but her husband and his brother, Chad Salyers, were the only men about the place for a day or two, and that Chad was away also. This ended the search. —Jackson Hustler, June 30.

### Meeting of Democratic Committee.

Pursuant to call, the Democratic Committee of Wolfe county met at Campton on the 4th day of July, 1904, for the purpose of selecting time, place and manner of holding a primary election to nominate Democratic candidates for the various offices of Wolfe county.

Therefore be it

RESOLVED, 1. That a primary election is hereby called to be held at the various voting places in Wolfe county, by secret ballot, on Saturday, the 12th day of November, 1904, between the hours of 6 o'clock a. m. and 4 o'clock p. m., for the purpose of selecting a Democratic candidate for each of the following offices: Judge, Sheriff, Clerk, Attorney, Superintendent of Public Schools, Assessor, Jailor, Coroner, Surveyor, and Justices of the Peace and Constables for the various magisterial districts in Wolfe county to be voted for at the November election, 1905.

2. That all Democrats and voters who supported the Democratic ticket at the preceding November election, 1904, and all the minors who will be legal voters at the regular November election, 1905, are entitled to vote in this election.

3. That a fee of five dollars (\$5.00) is hereby assessed upon each candidate for a county office, and \$3.00 for each candidate for a magisterial district office, and that no candidate's name shall be placed upon the poll books unless he shall have paid to the chairman of this committee the fees above charged on or before the 23d day of October, 1904. Should there be a deficit in the expense of holding said primary election, the deficit to be collected pro rata from the successful candidates.

4. That the election officers for the various voting precincts in said primary election shall be selected by this committee not later than ten days next preceding the said primary election from lists of names given the Secretary of this committee by the various candidates.

5. That a fac simile name of A. C. Oliver, the Secretary of this committee, shall be printed on the back of each ballot used in said primary.

A. B. LANDRUM, Chairman.

W. W. QUICKSALL, Sec'y. pro tem.

### Chad Salyers Arrested.

Chad Salyers was arrested near Oakdale by George Spencer, about ten miles from Jackson, and taken to that place last Monday on the L. and E. train and lodged in jail. Salyers is charged with complicity in the murder of Mack White. It was not generally known that there was a reward offered for him, and it is reliably reported that he had been going at large in the neighborhood where he lives.

On last Sunday afternoon James Osborn and Govan Smith left Jackson for the purpose of capturing him, leaving there on horseback. By some means the word reached Oakdale that they were coming and George Spencer went immediately and arrested Salyers.

"ADVANCE," a contributor to the New York Sun, commenting on the fact that Rittenhouse & Shuler had purchased an automobile to run between Swango Spring and Helechawa, thus closes:

"If that automobile starts into running over people and their rights to the road there's going to be a popping among the Winchester that won't be healthy for somebody. There shore will be."

We are sorry to disappoint this writer, but in the first place THE HERALD was misinformed as to the purchase, and so far no automobile has appeared upon the scene. Secondly, we do not believe its introduction would have caused such a popping of Winchester as he evidently anticipated. Indeed, only a shot or two would have been necessary, because when a mountaineer shoots he has an eye to the economy of powder and sends every bullet where it will do the most good. Hence we believe that had the automobile created the consternation contemplated, one, or two shots at most, would have put it out of commission, and so cowed the chaffeur that he would never again have essayed to experiment with an auto in this neck o' woods.

#### Loss of Vitality

Is loss of the principle of life, and is early indicated by failing appetite and diminishing strength and endurance. Hood's Sarsaparilla is the greatest vitalizer—it acts on all the organs and builds up the whole system.

Mr. J. R. DeBusk, of Port, a leading Democrat of Washita county, was a caller at the Pointer office today. Mr. DeBusk was one of the delegates from his county at Anadarko that made the fight for Judge Billups. He reports splendid prospects for crops in Washita, and in fact all down the line into Hobart. We are always glad to meet men like Mr. DeBusk.—Hobart (Okla.) Pointer.

Our young friend and former fellow citizen, James S. Day, now of Midland, Texas, is rapidly forging to the front as a first-class business man, and incidentally figures some in politics. In all of his undertakings so far he has been eminently successful, and we hope the commission to which he now aspires may come to him without contest. The paper of his adopted home town thus mentions his candidacy:

James S. Day would no doubt make a good commissioner for Precinct No. 1, and he authorizes us to announce him as a candidate for the office. He is a careful young business man, looks studiously to the best interest of his own affairs, and we do not doubt would serve the county with the same faithfulness. He solicits your vote and influence, promising if elected to as carefully discharge the duties of the office as he has ability.—Midland (Texas) Live Stock Reporter.

#### Things Worth Knowing.

The 72 races inhabiting the world, we are told, communicate with each other in 3,004 different tongues, and confess to about 1,000 religions. The number of men and women is very nearly equal, the average of both sexes being only about 28 years, about one-third of the population dying before the age of 17. Moreover, according to the most careful computation, only one person in 100,000 of both sexes attains the age of 100 years, and only 6 to 7 in 100 the age of 60. The total population of the earth is estimated at about 1,200 million souls, of whom 85,214,000 die annually, i. e., an average of 98,848 a day, 4,120 an hour, and 67 a minute. The annual number of births, on the other hand, is estimated at 38,792,000—i. e., an average of 100,800 a day, 4,200 an hour, and 70 a minute.

Generally, taking the entire world, married people live longer than single, and those who have to work for their living longer than those who do not, while also the average rate of longevity is higher among civilized than uncivilized races. Further, people of large physique live longer than those of small, but those of middle-size beat both.

The proportion of married men to single is 73 per 1,000. Those born in the spring possess a far healthier constitution than those born in summer, autumn or winter, while deaths are far more numerous at night than in the day. Finally only one-fourth of the male inhabitants of the earth boasts a constitution fitting them for military service.—Science Pour Tous.

#### STRAY SHOTS.

The Kentucky colony in Coles county, Illinois, will enjoy a prosperous year if the fine crop prospects continue.

Bruce W. Trimble, of Mt. Sterling, attended the National Prohibition Convention at Indianapolis the first of the month.

Mrs. Evelyn O'Hair, of Paris, Illinois, has returned from a three months' visit to New York, the guest of her daughter, Mrs. W. I. Overstreet.

Frank T. O'Hair left on the 1st on a business trip to Southwest Missouri, and spent the Fourth at Warrensburg with the family of J. H. Harman.

THE HERALD will have a representative at the St. Louis Convention this week, and will give you an account of it. All the other papers will be represented, and THE HERALD man will crowd in too, and your readers will get the convention news hot from the wire. July 3.

An interesting game of base ball was played last Monday between Hazel Green and Campton clubs, resulting in a score of 18 to 22 in favor of the Campton boys. All in all it was a very well played game, both clubs doing excellent work. A large crowd was in attendance, among whom were many ladies. A return game will be played here by the Campton boys at an early date.

## The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney is poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both Home of Swamp-Root, sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Twenty-six men employed on the pipe line took supper and breakfast at the Day House Monday night and Tuesday morning, and 35 was the number who sat down to dinner on Tuesday.

Aunt July Ward has the thanks of the editor and his better seven-eighths for a mess each of beets, potatoes and string beans, a gift of which many of our city contemporaries may well be envious.

Ben Murphy last week bought of Andrew Oldfields seven head of cattle for \$145; from John Sam McGuire four head at \$150; also five head of George McGuire at good prices. Ben is a high buyer.

Haleck Patrick and wife, nee Mollie Lykins, are visiting the latter's parents, Joe Lykins and wife, near town. They live at Bloomington, in Magoffin county.

Invitations to "a special sense party" were sent out on Monday afternoon, summoning some of the younger people to the home of Mr. and Mrs. Al Dye, where their daughter, Miss Artie, acted as hostess. Quite a crowd of the young people of town attended, and had an enjoyable time.

The Provident Savings Bank & Trust Company, of Cincinnati, Ohio, has opened a special department to take care of all money sent to it for deposit by mail. Through this method they give their out-of-town customers the same accommodations that the Cincinnati people receive.

About forty men employed on the pipe line stayed over night at the Day House Tuesday night, and some one entered the room of Lynn Perry and Nelse Bergy, where they stole from \$10 to \$15 worth of wearing apparel, including two or three shirts, a pair of shoes, coat, pants, etc. A warrant was secured yesterday and placed in the hands of Marshal Al Dye, who left with Mr. Bergy to see if he could overhaul the thief and rescue the property.

### \$8.70 ROUND TRIP

### LEE CITY LOCALS.

John Hatton's child has been very ill, but is some better at this writing.

Lee City is on a high-lonesome today, but no one has been put in the dog-house yet, but we are looking for it any time.

Taylor Shockey has been appointed to teach the Andy Wilson school, and the people in general are well pleased with the selection.

Grover C. Allen has been employed to teach the Lee City school, which will not pay less than five hundred dollars, and the people are well satisfied with the choice of the trustees.

Stephen Crawford, while in a drunken row at the mouth of Trent Fork last Saturday, was cut very bad by one of the Lemasters, and is supposed to be in a very critical condition.

The Trustees of District No. 39, on July 1st, selected James H. Dunn to teach their school, and it commenced July 4. We are all pleased with the selection that the trustees have made.

There will be held at the school house in Lee City a basket supper on the 9th of July. Everybody is invited to come and bring their basket, the proceeds of which will go to defray the cost of putting a fence around the graveyard.

The Lee City Sunday School has elected the following persons for their officers: Virge P. Simer, Superintendent; James P. Dunn, teacher of the bible class; Miss Irene Coringer, teacher of the infant class; Grover Allen, teacher of class No. 2; Miss Effie Bryant, Secretary. We have a good Sunday-school, and everybody is invited to attend.

PENNIE.

We like best to call **SCOTT'S EMULSION**

a food because it stands so emphatically for perfect nutrition. And yet in the matter of restoring appetite, of giving new strength to the tissues, especially to the nerves, its action is that of a medicine.

Send for free sample. SCOTT & BOWNE, Chemists, 409-415 Pearl Street, New York. 50c. and \$1.00; all druggists.

Mrs. Maggie Swango has the thanks of the editor and his better seven-eighths for a mess of extra fine pie-plant.

Dr. Bakes returned Saturday from an extended trip, in which he took in the World's Fair and spent a week at his home in Indiana. He was at the fair for eight days as THE HERALD representative, and is loud in praise of the courtesies extended the press by Superintendent Bennett and his assistants. He thinks the exposition will prove a big success both as a financial venture and from an educational standpoint.

### Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobrick, of Colusa, Cal., writes: "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by all druggists.

On Thursday night last a new lodge of Odd Fellows was organized at Ezel. Maytown, Frenchburg, and West Liberty members assisted in the organization, and there was thirty-seven charter members. A banquet was held immediately after the organization, in which an abundance of ice cream and lemonade was consumed. Jim Wells was Noble Grand; Mort Pieratt, Treasurer, and Asa Pieratt, Secretary, etc.

The increased business of the Farmer's and Traders' Bank, of Campton, must be exceedingly gratifying to the stockholders of that institution, and the fact that such an institution exists in the county is a source of pleasure to all good citizens of Wolfe county. The reason for the increase in business is largely due to the officials of the bank, especially Mr. Drushell, the cashier, and we point with pride to this bank as an example of honest management—a bank in which all are safe in depositing.

### VERY LOW RATES

To St. Louis, Mo., via Southern Railway.

On account of Democratic National Convention, the Southern Railway will sell tickets from Lexington to St. Louis and return at rate of \$10.65. Tickets on sale July 2d, 3d, 4th, 5th and 6th, good to return fifteen days from date of sale. Rate open to all.

T. W. CREWS, T. P. A., 89 East Main St., Lexington, Ky.

### DAYSBORO DOINGS.

Born, July 2d, to the wife of Chad Wilson, a bouncing baby boy. Alfred Gambill, of Terry, Ky., is visiting relatives near Daysboro.

Some two or three left this place on the Fourth to take in the picnic at Cannel City.

Mrs. Noah Fugate, who has been away from this place for a year, is visiting here this week.

The infant grand-daughter of Anthony Ferguson, colored, died at the home of the latter one day last week.

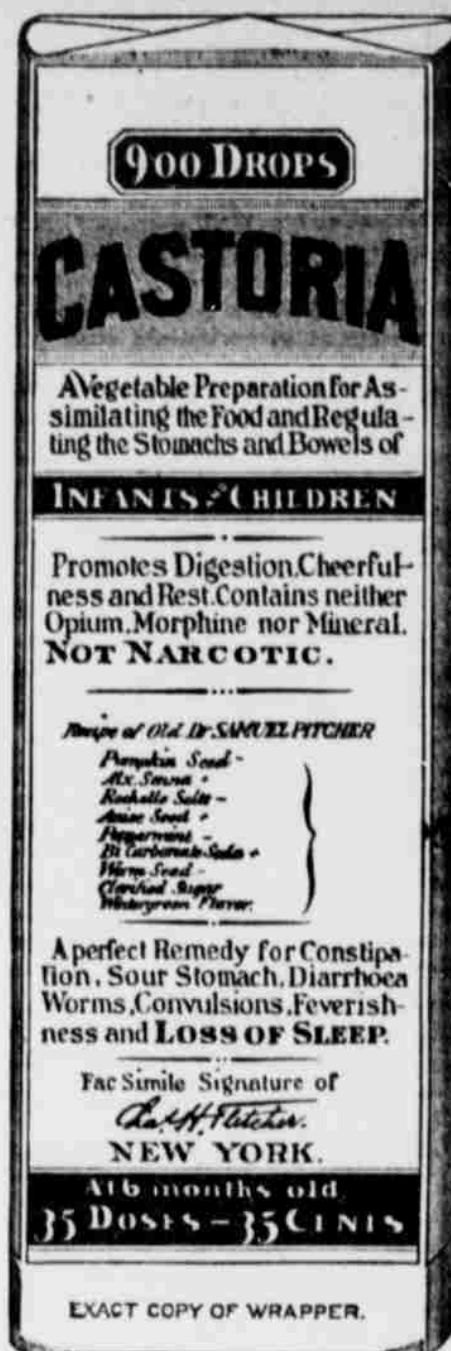

Miss India Coldiron, of Hazel Green, was employed last week to teach the public school in the Amyx district.

E. L. Noble, Deputy Circuit Court Clerk of Breathitt county, has gone to his country home, near Maytown, to spend the summer.

Quite a large crowd attended the religious services held here last Sunday by Rev. Hunter. There were two received into the church, one by baptism.

The examination for the appointment of beneficiaries to the Kentucky State College will be held at the office of the County Superintendent on the third Saturday in July.

Misses Lillie Rose and Lula Taulbee returned last week from a ten days' visit to the World's Fair, much pleased with the grand display of architecture and art exhibited in "The City of the Mines." J. W. MULLER.

# LIVER TROUBLES

"I used Thedford's Black-Draught a good medicine for liver disease. It cured my son after he had spent two weeks in bed. It is the best medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Thedford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Thedford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Thedford's Black-Draught should always be kept in the house.

"I used Thedford's Black-Draught for liver and kidney complaints and found nothing to equal it."—WILLIAM COFFMAN, Marblehead, Ill.

### CAMPTON COURIER.

H. E. Oney, with S. S. Combs & Sons, is on the sick list.

Born, June 28th, to the wife of S. G. Drushel, a son—George Gilbert.

Mrs. S. S. Combs is at home after a month's visit to friends and relatives in Missouri.

J. B. Hollon, J. R. Carroll and C. B. Allen, of Lee City, attended County Court Monday.

Quite a number of people from this place attended the 4th of July celebration at Chalybeate Springs near Torrent.

Very little business was done in the County Court, except the usual routine of appointing surveyors and superintendents of roads.

Col. Ed. H. Wilson, who has been absent from this place for some time, has returned and is looking after his oil interests here.

Hon. W. O. Mize, H. F. Pieratt, C. S. Sample, and A. T. Brooks, attended County Court Monday, and were also interested spectators at the ball game.

Quite a number of young folks of Hazel Green attended the ball game here Monday. Among them we noticed the following ladies: Misses Short, Mollie Coldiron, India Coldiron, and Miss Scotfield.

T. M. Beckett and wife, who have been visiting at their home in Freeport, Pa., for the past few days, are expected to return Saturday, when Mr. Beckett will begin the drilling of Cundiff well No. 1.

Joe McKeever, driller for the Wolfe County Oil and Gas Company, is here after several weeks absence, and will begin work for the company in cleaning up and repairing their wells for production by the time the pipe line to this place is laid.

C. W. Buchanan had the misfortune of losing \$110 in greenbacks last Sunday. The only information that he is able to give is that he left home in company with a young man going to a neighbor's house, when he went to sleep, and on awakening his money was gone.

Quite a number of people were occupying a seat on a hitch rack near S. S. Combs' store, when it suddenly gave way and resulted in the following injuries: W. B. Duff, right shoulder dislocated; J. N. Netherly, leg badly bruised, and C. C. Williams, a dislocated shoulder. Uncle Ed. Collins, 80 years years old, was also in the crowd, and was the only occupant in the crowd that escaped without injury.

The ball game between the Hazel Green and Campton teams Monday resulted in a victory for Campton, the score being 18 to 22. The

game was well played considering the practice of each team. The next game will be played at Hazel Green. The line-up of each team was as follows: Hazel Green—Hurst, c.; Quicksall, p.; Sample, 1st b.; Mize, 2d b.; Pieratt, 3d b.; Rose, r. f.; Swango, c. f.; Nickell, l. f.; Cord, s. s. Campton—Byrd, c.; Wireman, p.; Marshall, 1st b.; Drushel, 2d b.; Horton, 3d b.; Drake, r. f.; Hollon, c. f.; Williams, l. f.; Combs, s. s. July 4. S. R. H.

#### May Lose Both Feet.

Walter G. Maloney met with a frightful accident last Saturday morning, which will probably result in the loss of both his feet. He is a brakeman on the L. & E. road, and left Lexington the morning of the accident on freight train No. 14, and in coupling cars at Clay City, fell, in some unaccountable manner, under the wheels, crushing both feet. He was taken back to Lexington on the 10:10 a. m. passenger train and placed in St. Joseph's Hospital, where his left foot was amputated, and at last reports it was feared that it would be impossible to save the other. He is in a very dangerous condition.

Mr. Maloney is twenty-two years of age, and his home is at Beattyville, but when at Lexington he had boarded with George Neal, 510 East Third street. He is a member of Friendship Lodge No. 5, I. O. O. F., of that city, and is held in high regard by all who know him. He has been in the employ of the L. & E. for the past year.—Jackson Hustler, June 30.

#### No Pity Shown.

"For years fate was after me continuously," writes F. A. Guldridge, Verbena, Ala. "I had a terrible case of Piles causing 24 tumors. When all failed Bucklen's Arnica Salve cured me." Equally good for burns and all aches and pains. Only 25c., at all druggists.

## ONE FULL QUART OF WHISKEY FREE

We know the meaning of words and will do as we say. We claim to be the lowest-priced Whiskey House and the Largest Mail Order Whiskey Concern in the South. All the North Carolina Whiskey we sell is good—there's no bad. People here wouldn't adulterate it; they know how—they are too honest! Most whiskey sellers are noted for mixing, blending and watering. We sell more genuine old whiskey and less water than any known competitor. "Casper's 11 Year Old" Whiskey is a liquid joy! It's made by honest people in the mountains of North Carolina, in old-style copper stills, just as it was made by our grandfathers. First-rate whiskey is sold at \$5.00 to \$6.00 per gallon, but it's not any better than "Casper's 11 Year Old." It must please or we will buy it back. We have a capital of \$50,000, and the Peoples National Bank and the Piedmont Savings Bank of this city will tell you our word is good. To introduce this old honest whiskey, we offer four Full Quarts of "Casper's 11 Year Old"—two sample bottles, one 15, one 18 year old—a cork, screw and a drinking glass—all for \$2.55. If \$2.55 is sent we will double the above and put in free One Full Quart Extra. We have some of this whiskey only 7 years old, and will send five-gallon kegs for \$10 or will furnish twenty full quart bottles on receipt of \$11 and give free corkcups, drinking glasses and more. We ship in plain boxes with no marks to indicate contents, and Prepay all Express, Insure West of Texas, Kansas, Nebraska and Alaska must add 50 cents per quart extra.

THE CASPER CO. (INC.) 10 Casper Bldg. WINTON, S. D.

(EDITOR'S NOTE)—Before permitting the above whiskey advertisement to appear in our columns, we investigated the firm through their bankers. We cheerfully endorse them, and friends in need of pure whiskey for medical use need not hesitate to order sample lot.
